Of the United States.

In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Rovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried To Destroy-Every form and species of them that it is now an established article. The amount of bodlly and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most triffing bodily ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

from all who have not used them. We challenge the world to produce their equal. These Bitters for the cure of Weak Stomachs, General DEBULTY, and for PURIFYING and ENRICHING the BLOOD, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where "Not dangerous to the Human Family." a Tonic is required to strengthen and brace "Rats do not die on the premises." the system.
